SKATER OF THE MONTH

In this section we showcase skaters that have been nominated by their coaches as Skater of the Month!

Azilyn Neal

Congratulations Azi on being chosen as the skater of the month for June!

Azi is 9 years old and loves to be on the ice. She went to a skating camp in North Carolina and loved her experience, so she asked for lessons. She used to swim, but she chose skating instead. She recently entered her first competition, the Austin Bluebonnet Open in April. She won a gold and a silver medal in Free Skate 1! Her goal is to land her single axel jump this year.

Keep up the great work Azi!

Crockett Kimberlin

Crockett used to ski down the slopes when he was a child. One hot Austin day, he decided to try ice skating. He came in escaping from the heat and stayed for the challenge! "You can keep going, and going, and going!"

He likes competing with himself and getting better every day. He looks forward to the day he sees a video of himself that makes him say "Wow! I can do that now". He finds inspiration in Yuzuru Hanyu's axel jumps, and hopes one day to immitate him.

His favorite figure skating disciplines are Free Skate and Ice Dance. His girlfriend, who is also a skater, loves Pairs, "so I probably will wind up doing Pairs" he says laughing.

"Everything seems impossible before you do it, but if you keep practicing, practicing, and practicing, it gets easier. Even if it seems you are stuck and not getting better, you are". Those are his words of encouragement for his fellow adult skaters!

Adults skate too! And Crockett is a great example of commitment!

COMMUNITY HIGHLIGHTS

Our Employee Highlight this month is Jordan Kendall!

Age	18
Sign	Scorpio
Color	Red
Movie	Star Wars: Revenge of the Sith
Book	Ready Player One

Jordan has been working at Ice & Field for over two years. He admits that at the beginning money was the main motivator, however, he's grown to love his coworkers and the facility he works in. "It's a good place to work", he said.

His favorite thing about working with us is being able to be involved with the community. Here he's been able to meet a lot of people and get in deep with both the Hockey and Figure Skating sides.

Jordan has been playing hockey for over ten years, and still loves the sport, the Dallas Stars being his favorite team. He started playing hockey when his mom and dad, both hockey players themselves, "pushed him into classes". He fell in love with the ice, and has been playing ever since.

He is currently playing with The Vipers on our High School League. His next step is to try out for the Texas A&M Aggies, where he will be going to school.

Thank you for your dedication, passion, and hard work, Jordan!

And thank you to all of our patrons who make this a great facility and an amazing community!
